BROADCAST & BRAND PROJECTS

A handwritten signature in black ink, appearing to read 'Moritz Erich'.

Hi, I'm Moritz, I live with my family in Düsseldorf. I've been editing and shaping video content for all screen sizes for over 15 years — for broadcast, brands and creators. I develop creative visions and know how to bring them to life. And I see the stories behind every project and have always found a way to tell them for the right audience.
